EDUCATION

The University Of Cincinnati, Cincinnati, Ohio — Expected 04/2024
Master of Science in Information Technology - 4 CGPA

RGUKT, Basar, Telangana, India — 08/2018 - 07/2022
Bachelor of Technology in Computer Science and Engineering - 3.26 CGPA

EXPERIENCE

UC Information Technology Solution Center, Cincinnati, Ohio — 03/2023 - Present

Graduate Assistant
- Developed and maintained web applications using technologies such as React, TypeScript, Express.js, Node, and PostgreSQL.
- Collaborated with a cross-functional team to design and implement user-friendly interfaces, ensuring optimal user experiences.

Full Stack Developer
- Worked under the direct guidance of Dr. Hazim Said, the Founding Director of ITSC, to design and develop a comprehensive Schools Evaluation Data Application (Ohio SPDG Evaluation Application).
- Contributed to the successful delivery of high-quality software solutions, meeting project deadlines and client requirements.

Full-Stack Freelancer, Self-employed - Telangana, India — 03/2021 - 02/2023
- Designed and developed 25+ web and mobile applications using various technologies, including WordPress, Wix, Shopify, PHP, CodeIgniter Web Framework, MySQL, React, Node.js, AWS, Flutter, and Android.
- Leveraged open-source tools and actively engaged with the developer community to build projects collaboratively, ensuring efficient development processes and incorporating best practices.
- Managed end-to-end development, from coding to deployment, emphasizing cost-effectiveness. Utilized AWS for deployment, resulting in streamlined processes and cost savings for clients, reducing website maintenance costs by 40%.

CSol Technologies, Founder - Telangana, India — 11/2020 - 10/2022
- Founded and led CSol Technologies, offering web and app development, SEO, and digital marketing services to 20+ startups and companies.
- Led a highly talented and multifaceted team in web and app development, content creation, and social media management.
- Committed to establishing a robust online presence for businesses and startups. Executed 20+ diverse projects with a core emphasis on web development & design.

Jazzlike Technologies, Web Developer & Trainer - Telangana, India — 01/2022 - 04/2022
- Developed, maintained and managed a LMS web application and built a financial transaction dashboard using Razorpay API.
- Trained 45+ students on Web Application development using JavaScript, React, Node, AWS EC2, Git and Github.

Orakris Med Solutions, Full-Stack Developer - Telangana, India — 12/2021 - 05/2022
- Designed and developed multiple static and dynamic websites using HTML, CSS, BootStrap, and JavaScript.
- Developed a content management dashboard utilizing a technology stack that included Angular, React, Node.js, and MySQL.
- Employed SEO tools like Semrush to analyze, identify keywords, and implement on-page and off-page optimization techniques, ensuring improved search engine rankings, resulting in first-page search engine rankings..

StuNxt, Founder - Telangana, India — 12/2019 - 11/2020
- Designed and developed a social media application using PHP, CodeIgniter, AWS, and open-source technologies.
- Successfully built a thriving user community of over 5,000 students and fostered collaborations with more than 15 colleges and universities across India
